

Northern Parade Federated Schools

Proud to be the home of Sensory Impaired Resource

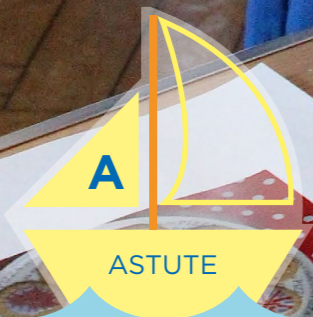

Northern Parade Federated Schools is a large learning community serving the North of Portsmouth. Ofsted have recognised both Schools as 'Good' with outstanding qualities. We are passionate about providing a quality experience for all of our children and put them at the centre of everything we do.

We believe learning should be enjoyable, active and creative providing many opportunities to enrich the learning experience.

Our values of 'Teamwork, Resilience, Independence, Creativity and Challenge' are the foundations of all our learning and encourage everyone to realise their full potential.

Northern Parade Staff are very proud of the exceptionally high standard of behaviour both on and off site, which is recognised in many different ways.

Competition is important; we encourage our children to be active and healthy in both body and mind. A house system using Portsmouth Naval heritage provides opportunities to build teams, which develop a healthy attitude to competition. Rewards are based upon our values, which are represented by dragons.

My daughter is in the final year of her Northern Parade journey and preparing for the big leap to Secondary School. She has always enjoyed school and that is down to the school itself, the way in which children are acknowledged and rewarded for their successes.

The wide range of activities the school provide has been a big contributing factor to her personality and confidence.

She is looking forward to the next stage of her education and that is down to Northern Parade and the way that she has been encouraged, pushed and praised right from Foundation Stage onwards.

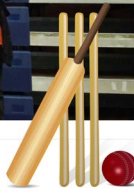

She will miss everyone at Northern Parade and I as a parent have a very high standard for her Secondary School due to the level set by the Northern Parade staff.

Parent.

PORTSMOUTH JUNIOR SCHOOL HOCKEY

CHAMPIONS

Beyond the School Day...

Leapfrog Breakfast and After School club was formed in September 1998 and has always prided itself in providing an outstanding service.

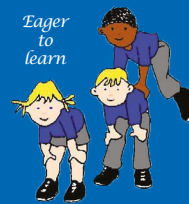

We cater for children aged 4 to 11 years and since opening, the club has continued to grow in size, now taking up to 60 children before and after school.

Leapfrog runs every day that the School is open. We provide a variety of fun activities as well as seasonal clubs run by either private companies or provided through the School sports programme. Please look out for what's on offer each term.

Learning does not stop at the end of the school day; we offer a wide range of before and after school activities and clubs.
