Angry Aztecs!

Our School Values:

Creative Christoph- Show creativity in their art and design lessons and in how they present their research back to the class.

Challenge Charlie: Challenge themselves to become experts on the Aztec way of life.

Independent Isaac- To carry out independent research and learning outside of the classroom.

Resilient Ruby- Show their resilience when facing challenges in their learning.

Teamwork Trio- To work in groups and as a class during their topic learning.

Angry Aztecs!

English: In English we are reading Mr Stink by David Walliams. We have been looking closely at the characters, their relationships and how the author uses descriptive language to impact the reader.

Maths: In maths we are securing our understanding of larger numbers and exploring different ways of representing them. We will also be consolidating our knowledge of addition and subtraction.

Shared Reading: In shared reading we have been using drama and discussion to develop our comprehension skills as well as focusing on finding evidence from the texts to justify our answers.

History: We will be finding out about the Aztec tribes that settled in Mexico. We will be focusing on how the Aztecs lived their day to day lives, their social hierarchy and what role religion played in their culture.

Art / D.T: The children will be learning the skills the Aztecs used to create their clothes and jewellery and putting their new skills to the test by recreating Aztec patterns and weaving using different mediums.

PSHE: 'Getting on and falling out'

R.E: What is 'faith' and how does it effect our lives?

This half term, year 5 have the exciting opportunity to work with a basketball coach to develop their skills!
