Tuesday 20th February 2018

Dear Parents/Carers,

Great news, Portsmouth City Council has listened to our ongoing concerns regarding the zig-zag lines situated outside of the School grounds.

As you know, all schools have yellow zig-zags outside of the school entrances to ensure the continued safety of the children as they come and go to School. This means that cars, by law, are not allowed to park or even stop momentarily on these lines.

We made parents aware of the Portsmouth City Council Parking App last year, where you are able to take a picture of a car parked on the zig-zag lines (within the times of restriction) and post this to PCC where they will follow up, sometimes with action of a fine. Unfortunately, still, some parents have continued to use these zig-zags to park when dropping/collecting children from School.

We are now happy to announce that the council have decided to provide us with a school enforcement camera to enforce the school entrance markings.

These cameras run between 8am and 4pm Monday to Friday only. Any vehicles contravening the restriction between these times will be issued a Penalty Charge Notice by post.

Thank you for your continued support in ensuring the safety of the children as they arrive and leave the school premises and hope that the arrival of the cameras will help eradicate any continued parking issues that we may have.

Yours sincerely,

Mrs S M Wilson
Executive Head
