

PE Days

Starfish - Wednesday

Clownfish and
Jellyfish - Thursday

What are we learning? Year R Spring 1

Meet the Team

Teachers: Mrs Pearce, Mrs Munday (Year lead)
Miss Black, Ms Goodwin

Teacher assistants: Mrs Millar, Mrs Osborne,
Mrs Coster, Mrs Austin, Mrs Kenna-Calcutt, Mrs Choudhury,
Miss Smedley

Home work expectations

Please read with your child at least 5 times a week and practice your sounds and words of the week.

Upcoming Diary Dates

Wednesday 7th February 2024 - Parents and carers invited in to share an afternoon of fun with your children. More information to follow.

Phonics

Children will continue to follow the ELS phonics program and use decodable books to develop fluency in reading. We will continue to segment and blend our words and learn harder to read and spell words.

Shared Reading

This half term we have started guided reading. The children have enjoyed looking at different books and sharing a story as part of a small group.

English

In English, we have started a new program called 'drawing club' where the children draw and write about different parts of a story. The children write codes to make things happen in the story. Throughout the half term we will be using some traditional tales for our stories.

Maths

In Maths, we will be consolidating our numbers to 10. We will be looking at 1 more and 1 less than a given number before moving on to look at odd and even numbers. We will also explore mass and capacity.
