# Britain since 1930's

## Our Values

- Teamwork: We will work in teams to prepare our presentations about what caused World War2 and about the life of evacuees.
- Creativity: We will be making clay Battle of Britain clasps and using our creative skills to make our presentations engaging.
- Independence; we will independently research World War 2 espionage.
- Motivation: we will be motivated to improve our presentations.
- Challenge: we are challenged to create a weekly menu for 4.

**English (The Silver Sword):** Children will be learning and writing their own descriptive text.

**Maths:** Counting, calculating, partitioning, mental maths and problem solving and reasoning.

Children will also be costing all items for a meal plus the exact weight of all the items that they have used. They will create a pie chart to show the proportions of food being eaten in one week.

**ICT:** Children will be using a range of different presentational software programmes and ICT to research for their presentations.

**History: We will be learning to-**

- Independently research World War 2 including causes of the war, life as an evacuee and the Battle of Britain.
- Use ICT and a range of sources to study World War 2 and Aneurin Bevan and discuss the effects of the changes have on modern Britain.
- Share our understanding of the influence of World War 2 through a presentation.

**Art:** Create artwork using clay.

**D and T:** Create a ration meal.

**PSHE:** Cyber bullying Safety, personal safety and environmental dangers.

Consider why rules are important.

What laws are and how they are made.

How to look after money.

How to keep healthy.

**R.E:** Christians and their views on Jesus.
