Northern Parade's Terra Recycling Project

Dear Parents/Carers,

You may have noticed in the local news that there have been some discussions around what can and can't be recycled in your green bin, mainly centred around the argument of what plastics our local Council have the ability to accept.

Northern Parade as part of our ethos of being a green school, have signed up with TerraCycle, an innovative recycling company that is a global leader in typically hard-to-recycle waste. We have chosen some items that you may be finding hard to recycle that can be dropped off at school, these are:

- Toothbrushes
- Biscuit and cake wrappers
- Air and home care packaging

By collecting these in school, we will not only be helping to save our environment by stopping these packages ending up in landfills, but TerraCycle will donate 2p to the school for each package that they receive.

I have added the packages that we can accept below, and look forward to see the mountains of recyclables that we can ship off the TerraCycle in the future.

Your Sincerely

Mrs S Elliott.

ACCEPTED WASTE

ACCEPTED WASTE
