Dear Parents/carers,

Tuesday 1<sup>st</sup> September 2020.

I hope that you enjoyed the August Bank Holiday weekend and you managed to make the most of the weather.

I have decided to put additional safety measures in place for the children's return to school on Thursday 3<sup>rd</sup> September. To minimize contact across year group bubbles please note the following changes;

**ALL** Year One classes will now use the main gate for drop off and pick up times.

**Times for individual classes will remain the same. Please refer to information sent prior to the summer holiday. This information is also on the school website.**

ALL Year Two classes will now use the end gate for drop off and pick times.

**Times for individual classes will remain the same. Please refer to information sent prior to the summer holiday. This information is also on the school website.**

### **Packed Lunches.**

If your child decides to have a Packed Lunch please use a packed lunch box as normal. This will allow the children to bring home items they have not eaten and any packaging.

Many Thanks for your continued support.

Mrs R Carlyle

Head of School (Infants).
