Dear Parents/Carers

During these incredibly hard times we want you to know that there are several Government backed schemes in place for families that are struggling. These include help with your energy bills and access to data and devices to support children with home learning.

### Increased Mobile Data Scheme

We have been informed that some mobile networks have launched a scheme that temporarily increases data allowances for mobile users. This is so that their children can access remote learning whilst they are unable to access face-to-face education.

We can help with requests for mobile data increases for children whose families do not have fixed broadband at home and cannot afford additional data for their devices.

At the moment, the networks that may be able to help with this are:

- Three
- Smarty
- Virgin Mobile
- EE
- Tesco Mobile
- Sky Mobile

If your family would benefit from this scheme, please complete the form below:

### [Increased Mobile Data Scheme Application](#)

By completing this form you are agreeing for us to share your information with the Department for Education. They will then liaise with the appropriate network providers and we have been told the providers will send a text message to the account holder once the data increase has been processed.

Any information that you provide will be handled in accordance with the Data Protection Act, GDPR and Northern Parade Schools privacy policy which can be found on our website.

Kings Group Academies is a company registered in England and Wales with company registration number 09017776.

Tel: 023 9266 2129

If you have a prepaid, key card meter and you are struggling to make payments for energy you may be eligible for a £98 energy grant. If you would like us to refer you to the Local Council to take part in this scheme please fill out the form below.

[Switched on Portsmouth referral form](#)

By completing this form you are allowing us to share your information with Portsmouth City Council, Switched on Portsmouth.

We have been issued with some Sim Cards from Vodaphone that are pre-loaded with 30gb of data under the free data for UK students scheme. If you would like us to send you one of these please fill out the form below.

Please note that these will be issued on a first come first served basis.

## 4G Wireless Router

The Department for Education are providing 4G wireless routers for disadvantaged children to help them get online and access remote education. This is only available if you are unable to get a Mobile Data Increase from your network provider. If you think your family would benefit from this and you are entitled to Pupil Premium, please fill out the form below.

### [4G Wireless Router Request](#)

## Devices

We are also in the process of ordering devices for children that do not have access to one at home and are entitled to Pupil Premium. If you think that applies to you, please fill out the form below.
