### Library Book Arch

Dear Parents/Carers

As I am sure you have noticed the school now has our new Innovation Centre up and running, and to inspire and create a more amazing space for your children we would like to build a book arch for the library side of the centre.

However, to achieve this we are going to need quite a few hard backed books and would really appreciate any donations of hard backed books that you have read enjoyed but no longer need. Once it is complete the arch will look something like the picture below and will give the children a wonderful, booked themed entrance to their library.

If you are able to donate any books to this project, they can be dropped off at the school's main office.

Many thanks for your continued support of the school,

Mrs G Wylie
