Dear Parents/Carers,

As most of you will have noticed, we have a new gate by Year 3 and the main office and it is now open so please feel free to use this to enter the school playground. You may also have noticed there's a large bike shed in this area too, so bikes can now be left there, at the user's own risk; we recommend using bike locks.

Due to the main entrance to the school being moved, you will notice in the next few weeks that the zig-zags will also be moved and therefore the small entrance gate by where the old main office used to be and the Y4 wooden gates are will no longer be in use. The two car park gates are not for pedestrian use.

For the next few weeks, the wooden gates by Year 4 will remain open, however this means you would need to walk through the car park to use them, which is not ideal. Eventually, these gates will be taken out of commission for entrance to the school, and the new official entrance to the junior school playground for parents and children will be the new gate by Year 3 and the main office.

Thank you for your cooperation with our new changes.

Yours sincerely,

Mrs S M Wilson
Executive Head
