Dear Parent/Carer

### NSPCC Number Day - Friday 4th February 2022

We are delighted to be supporting the NSPCC by taking part in Number Day on **Friday 4th February 2022**.

The NSPCC needs our support more than ever. By raising money, we can help to fund their vital services such as Childline – the helpline that’s always there for children and young people whatever their problem or concern.

#### Making maths meaningful

Number Day is a great way to make maths fun and bring about a positive, ‘can-do’ attitude towards it. We are having a fun day of maths activities and we will be taking part in *Dress up for Digits*. Pupils are invited to wear an item of clothing with a number on it (football shirt, cap, netball shirt or even a **onesie!**). Or get even more creative by dressing in a maths or numbers theme (see below for ideas). To help raise money for the NSPCC, we are asking for a suggested donation of £1, and we’d love everyone in the school to take part in this special event. For those that don’t wish to participate, normal school uniforms should be worn.

Any information that you provide will be handled in accordance with the Data Protection Act, GDPR and Northern Parade Schools privacy policy which can be found on our website.

Kings Group Academies is a company registered in England and Wales with company registration number 09017776.
