

Pupil Premium (PP)

Date	Review Date	Pupil Premium Champion	Nominated Governor
May 2017	May 2019	Executive Head	Chair of Standards

We believe this policy should be a working document that is fit for purpose, represents the school ethos, enables consistency and quality across the school and is related to the following legislation:

- Adoption and Children Act 2002
- Education Act 2002
- Equality Act 2010

The following documentation is also related to this policy:

- Equality Act 2010: Advice for Schools (DfE)
- Pupil Premium 2014 to 2015; conditions of grant (DfE)

We are aware that the Pupil Premium, which is aimed at children from Reception to Year 11 pupils, is additional funding given to schools in order to address the inequalities between those children eligible for free school meals and their peers.

It is our duty to use the Pupil Premium effectively in order to raise achievement and narrow the gap between those children from low income families, looked after children, children whose parents are serving in the armed forces and their peers.

We have in place a Pupil Premium Champion who is responsible for coordinating all activity relating to the support of pupils facing disadvantage and will track and monitor academic, pastoral and enrichment provision.

We have adopted the process for deciding how to spend the PP by acknowledging the 'Ten point plan on spending the pupil premium successfully' as outlined by the National Pupil Premium Champion:

- Step 1: Set an ambition for what we want to achieve with Pupil Premium funding.
- Step 2: The process of decision-making on PP spending starts with an analysis of the barriers to learning for PP pupils.
- Step 3: Decide on the desired outcomes of our PP spending.
- Step 4: Against each desired outcomes, identify success criteria.
- Step 5: Evaluate the effectiveness and impact of our current PP strategies and change them if necessary.
- Step 6: Research the evidence of what works best.
- Step 7: Decide on the optimum range of strategies to be adopted.
- Step 8: Staff training in depth.
- Step 9: Monitor the progress of PP-eligible pupils frequently.
- Step 10: Put an audit trail on the school website for PP spending.

Northern Parade Schools-PP

It is our intention to disaggregate the Pupil Premium funding from the main school budget and to target the groups of pupils that it is intended for. Also, the funding will be spent on strategies considered to be the most effective on raising achievement.

We understand that we will be held accountable on how we use the Pupil Premium and that the achievements must be quantifiable. This will be done by using the school's performance tables to compare the achievement of Pupil Premium pupils with their peers.

By using pupil tracking data effectively we can identify the strengths and weaknesses of individual pupils and groups and then provide the relevant support that is necessary in order to accelerate pupil progress.

Every year we will publish online details on how we intend to spend our Pupil Premium allocation plus an evaluation of its impact from the previous year.

We will strive to improve the life chances of all disadvantaged pupils by using the extra financial resources of the Pupil Premium wisely and thereby narrow the gap.

We have a clear vision for what all our pupils will achieve through

- a whole school ethos of attainment for all;
- addressing behaviour and attendance;
- high quality teaching for all;
- meeting individual learning needs;
- deploying staff effectively;
- data driven and responding to evidence;
