

"That's one small step for man, one giant leap for mankind"

Our topic presentation this term is with a difference. You are invited to attend a Celebration Event with your class.

The celebration will be during the week beginning 8th of July. Final date and time will be clarified sooner to the event.

Homework this term:

- ✓ Project 1 - Due Monday 20th May
- 2D drawing or painting of the Galaxy/Space
- ✓ Project 2 - Due Monday 8th July
- A planet fact file - Information about a planet of your choice

Year 1 Summer Term
