Dear Parents/Carers,

16/01/24

With a new half term upon us, comes the start of a new learning journey where we will be studying the history of Neil Armstrong and significant people. To enhance that learning experience we are arranging a trip to the Winchester Science Centre where, as well as looking at their excellent exhibits, the pupils will attend a specialist workshop called 'Rocketships'. The rocket workshop is for budding engineers to learn about forces. The children will build, test and make rockets. Let's power them with fuel and fire and launch them too!

Date 29.01.24

Cost - The cost of the trip will be £18.53. This includes transport to and from the Winchester Science Centre.

Timings - To ensure we arrive at the Science Centre by 9:00am, we will be leaving Northern Parade promptly at 8:45am. Please ensure you bring your child directly to classroom doors no later than **8.30am**. We shall be leaving the Science Centre at 2.00pm and hope to be back at Northern Parade no later than **3:00pm**. If we are due to return later then a text will be sent out to you from the school.

Lunch

You will need to send your child into school that day with a packed lunch. This must contain any drink they will require for the day. Please ensure your child's packed lunch does not contain fizzy drinks or products containing nuts. Please indicate below whether you would like us to provide your child with a packed lunch if they are entitled to free school meals.

Additional information

Children will be walking to and from the coach and therefore should have a waterproof jacket should it be raining. Children are required to come into school in full school uniform. Children are not allowed to bring electrical items on the trip however can bring a suitable magazine or book for the coach journey..

Please do ensure that if your child has a medical condition that the school has been notified of, such as Asthma, that the correct and in-date medication is in school ready for us to take on the day. This is essential for us to be able to take your child on the trip. <https://forms.gle/chY6Bs7Hc1749D2G9>

We are sure the children will have a wonderful educational experience.

Any information that you provide will be handled in accordance with the Data Protection Act, GDPR and Northern Parade Schools privacy policy which can be found on our website.
