

**Mrs K Wilden**

Dear Parents and Guardians,

It has been a really busy week here at KANP. With a number of exciting events happening across the school. The children have been focusing on their teamwork and this has been evident through lots of curriculum activities.

Thank you to all the parents who attended our recent Parent Forum. It was wonderful to see you there, and your input and feedback are truly appreciated. The positive discussions and suggestions from our engaged parents contribute significantly to our school's ongoing improvement. Thank you for your involvement!

As we try to maintain a healthy school environment, we kindly request that you continue to support us by ensuring that only healthy snacks are brought into school. Examples of suitable snacks include fresh fruits, vegetables, and whole-grain options. Please note that only baked crisps are permitted. Your cooperation with this is invaluable in promoting the well-being of our children.

Many of you have inquired about homework, and we want to assure you that we are in the process of reviewing our approach. Further information regarding homework policies and expectations will be shared with you in the coming weeks. We appreciate your patience and understanding as we work to provide the best educational experience for your children.

Despite our previous communications, it has come to our attention that some individuals are still using mobile phones on school grounds. We would like to stress the importance of adhering to our policy, as it is in place to ensure a focused and safe learning environment for all children.

I am delighted to share that Mrs Geary, our new Assistant Headteacher, and Mrs Munday, our Early Years Foundation Stage (EYFS) Lead, are settling in well and already contributing positively to our school community. We are excited to have them on board.

If you have any questions or concerns regarding your child's education, well-being, or any school-related matters, your first point of contact should always be your child's class teacher. Our dedicated teachers play a vital role in the day-to-day support and progress of each child. Class teachers are well-informed about your child's individual needs, achievements, and challenges. If you find yourself with questions or seeking clarification, please feel free to reach out to your child's class teacher through the school's designated communication channels.

Lastly, a gentle reminder that children should not be on school premises before 8.30 am. This includes the area outside the school office and bikesheds. Your cooperation in adhering to this timing ensures the safety and supervision of all our children.

Wishing you a wonderful weekend ahead.

Dragon Value of the Week

Safety

Our school dragon value for the upcoming week is Safety. As we delve into the importance of safety, we aim to foster an environment where every member of our community feels secure, both physically and emotionally. Through discussions, activities, and assemblies, we will look at how to keep ourselves and others safe, both in the community and online.

Diary Dates

What's happening Next Week

Date	Event	Time	Location
