

**M***rs K Wilden*

It has been a positive first week back following the half-term break, the children have returned with positivity and have been full of energy. It's been wonderful to see the children ready to engage in their learning once again.

As a gentle reminder, I would like to emphasise our school uniform policy. Please note that trainers should not be worn, and we kindly request that jewellery is not worn to school. Should your child arrive with any jewellery, they will be asked to remove it upon arrival.

Next Wednesday, the 28th of February, we will be holding this term's charity day in support of the Teenage Cancer Trust. We encourage all children to participate in our "Crazy Hair for the Day" event and to donate to our JustGiving page if you are able. Let's come together as a community to support this worthy cause.

I am excited to share with you that we are currently in the process of creating plans for an Easter Egg Raffle! This fun event will bring joy and excitement to our school community as we celebrate the upcoming Easter season. More details about the raffle, including how to participate and prizes to be won, will be shared with you soon. Stay tuned for further updates as we prepare for this egg-citing event!

As we strive to create a respectful and supportive school community, I would like to take a moment to remind everyone about the importance of communicating politely and respectfully with our hardworking teachers. Especially during morning drop-off and afternoon pick-up, let's ensure that our interactions with staff members are courteous and considerate. If you have any concerns or questions, I kindly ask that you find an appropriate time to speak with them privately, rather than in front of children and other parents.

Finally, I would like to remind you that parents' evening will take place next week on Monday, the 26th, and Thursday, the 29th of February. This is an excellent opportunity for you to discuss your child's progress with their teachers, so please do make every effort to attend.

Thank you for your continued support, and let's make next week even more fantastic!

## Exciting Reading News

the library will now be open every Wednesday after school from 3.00pm-3.30pm. It is a chance for children and grown ups to share stories, change books and enjoy a relaxed reading environment. We look forward to welcoming as many families as possible. Mrs Cudlip, our librarian is excited to meet you.

# Dragon Value Of the Week

## Independence

Our Dragon value within the school community next week will be independence. Encouraging each child to cultivate a sense of self-reliance and autonomy is fundamental to fostering personal growth and academic success. Independence in learning allows for the exploration of unique perspectives, the development of critical thinking skills, and the nurturing of individual strengths.

# Diary Dates
