Dear Parents and Guardians,

I hope you have all had a positive week.

It was great to see so many adults joining us for our recent Curriculum Afternoon. Your engagement and support is fantastic and I wanted to thank all who attended. The recent Year 1 visit to the bakery was also a success. Such learning opportunities greatly enhance our curriculum and provide memorable learning experiences for our children.

As we look ahead to next week, I'd like to remind you of our upcoming Film Nights. These will be held on Monday for Infants, Tuesday for Year 3 and 4, and Wednesday for Year 5 and 6. Please note that the latest time we can accept bookings is Friday 22nd, as we need to ensure adequate staff and refreshments. Unfortunately, we won't be able to accommodate any additions after this time. Kindly remember to collect your child promptly at 4:45 PM from their classroom on the respective film night.

I also want to give a special shout-out to our Junior School Sports Leaders for their outstanding support during lunchtimes. Their dedication and enthusiasm is fantastic. We are now exploring the possibility of introducing Infant Sports Leaders, further enhancing our commitment to promoting physical activity and leadership skills among our children.

Mark your calendars for our Easter Raffle on Thursday, 28th March, immediately after school outside the studio. It promises to be a fun-filled event, and we encourage everyone to participate and support our school community.

Lastly, a friendly reminder that the last day of term is Thursday, 28th March. We will soon be saying farewell to this term, but we look forward to returning refreshed and re-energized for the new term ahead.

Thank you once again for your continued support and involvement in our school community.

Wishing you all a wonderful month ahead.

Kathryn Wilden

Dragon Value Of The Week

Teamwork

Next week, we are excited to put the spotlight on the Dragon Value of Teamwork. This value teaches our children the importance of collaboration, communication, and supporting one another to achieve common goals.

Throughout the week, we will be emphasising the value of teamwork, particularly during lunch and breaktimes. These moments provide valuable opportunities for our children to work together, show kindness, and build positive relationships with their peers. Encourage your children to embrace the spirit of teamwork by participating in group activities and lending a helping hand to others. Thank you for your support in reinforcing these values at home.

Exciting Reading News

We purchased 4 new bean bags for our book sale fundraiser.

Keep up the fantastic reading at home!
