Dear Parents and Carers,

We are thrilled to extend a warm invitation to all Infant children in our school to join us in our exciting array of clubs both during and after school hours.

At King's Academy Northern Parade, we believe in providing a holistic education that not only focuses on academics but also encourages the exploration of various interests and talents. Our clubs are designed to foster creativity, critical thinking, teamwork, and personal growth in a fun and supportive environment.

During lunchtime, children will have the opportunity to participate in clubs that complement their learning experience. Whether it's delving into the world of gardening, exploring singing and rhymes, or expressing themselves through art and drama, there's something for our children to enjoy and excel in.

After school, the learning and fun continue with our wide range of extracurricular clubs. Participating in clubs not only enriches your child's academic journey but also helps them develop essential life skills such as leadership, time management, and teamwork. It's a fantastic opportunity for them to make new friends, discover hidden talents, and create lasting memories.

We encourage you to explore the diverse club offerings with your child and discuss their interests and preferences. For more information about specific clubs, schedules, and registration details, please refer to the google form or speak to your child's class teacher. Thank you for your continued support. We look forward to welcoming your child to our vibrant club community and witnessing their incredible journey of discovery beyond the curriculum.

Kindest regards,

Miss Kingdon
