

Mrs K Wilden
Headteacher

What a fantastic week it's been at our school! As we wrap up our celebrations for the Month of the Military Child, I want to thank everyone for your support in raising awareness for our service children. Purple Day has been a success, highlighting our commitment to supporting our military families.

In other exciting news, this week we welcomed Pompey in the Community, who engaged our Year 5 children with enriching activities. The enthusiasm and energy were palpable as the children immersed themselves in learning and fun.

Looking ahead, get ready for an out-of-this-world experience! Next week, we're excited to for the STEM workshops led by none other than a NASA engineer. Our children will be inspired and discover the wonders of science and technology firsthand.

Finally, A huge thank you to Mr. Pycroft and our dedicated site team for their efforts in beautifying our school grounds. Their hard work truly makes our school a welcoming and vibrant place to learn and grow.

Have a great weekend!
