Exciting Fundraising Update

Dear Parents and Carers,

We are thrilled to share an update on our incredible fundraising journey as we work towards our target of **£25,000** to transform our outdoor areas into inspiring and engaging spaces for our children. Thanks to your generosity, enthusiasm, and support, we've already raised a huge **£5670!**

Many of you will have already noticed some of the exciting improvements we've been able to make, including the creation of our wonderful **Nature Nook**. This tranquil and interactive space is now being enjoyed by the children and has been a fantastic addition to our school grounds. Additionally we have been able to purchase 4 rainbow benches to add additional seating to our outside area.

Future Plans:

Our future plans include adding an archway from the Year R area to the Nature Nook, allowing our youngest learners easy access to this wonderful space. We also aim to continue developing the quad area, transforming it into a functional outdoor space for everyone to enjoy. This includes the addition of picnic benches, creating a lovely spot for outdoor lunches during the summer months.

Looking ahead, we hope to enhance our play areas by installing a trim trail on the Junior playground and introducing fixed play equipment in the Infant playground, providing engaging and active play opportunities for all our pupils.

What's coming up:

We have plenty of exciting fundraising events planned for the spring term to help us reach our goal. Here's what's coming up (full details of all of these events will follow):

Date	Event	Details
WC 29/1/25	Tuck Shop	Monday - Friday 3.10pm - 3.30pm outside of the Studio.
