

Key Information

PE Days

Turtles - Wednesday

Seahorse - Friday

Stingrays - Friday

Writing

This half term in writing we will be learning through 'Little glow' and the children will be using their senses to write a poem about light, fireworks and where light comes from. The children will expand on their vocabulary to write descriptive language when writing.

Reading

Our reading journey will be based on the writing text 'Little glow'. We will be using our senses to describe light based on the theme of fireworks and the lead up till Christmas. We will explore a range of texts and develop fluency for reading as well as comprehension skills.

**Year 1 –
Autumn 2**

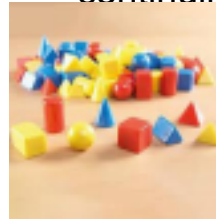

Please try and hear your child read daily.
Numbots - Help your child win the year group challenge! Stingrays were the winners last half term
Maths homework will be set on My Maths.

Maths

In Maths we will be exploring 2D and 3D shapes, as well as continuing with embedding learning on place value, number and calculations.

Key Dates

4.11 - parent's evening

7.11- Writestrong

Science

For science we will be learning about animals including humans.

We will explore the five groups of animals and look at the characteristics of

mammals, fish, birds, reptiles and amphibians.

We will compare the similarities and differences between these groups.

History

In history we will be learning about the gunpowder plot

and Guy Fawkes. The children will develop their

understanding of chronology and sequencing events that have happened in the past linked to their own life experiences.

Art

Our Art learning will be exploring how to use a range of lines to create art and illusions. We will learn how to use line and shape to create

images and use a range of tools to make marks.

PDL

In PDL we will be learning about difference between people, bullying and teasing, how to be kind and fair, and identify people that are special to us.
