Year 5 – Autumn 2

Homework

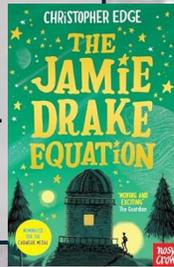

Alongside daily reading and TT Rockstars, My Maths will be set each Friday and due for the following Thursday..

Writing

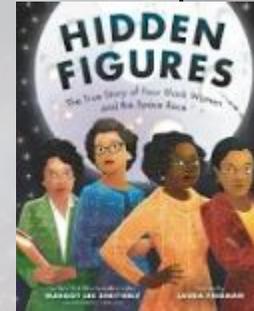

In writing, pupils will be developing their persuasive and non-chronological writing skills through *The Jamie Drake Equation* and *Hidden Figures*.

Reading

We are focussing on a variety of reading skills as we look at our two books *Hidden Figures* and *The Jamie Drake Equation*.

Maths

The children will learn how different fractions can represent the same value by using **number lines** and **bar models**. Through fun, hands-on activities, they'll discover how to spot and create equivalent fractions and see how fractions fit together in exciting new ways.

Science

Pupils will be exploring the topic of forces. They will investigate how gravity, friction, and air resistance affect movement and everyday objects

History

We will be focussing on the Shang Dynasty that ruled China for over 500 years and how it impacted the country.

DT

We will be designing and making their own **stuffed Christmas decorations**. The children will learn how to **create and use a template, sew fabric pieces together, and add applique or decorative stitching** to personalise their designs.

PDL

In Autumn 2, Year 5 will focus on **Valuing Difference** in PDL, learning about the **qualities of friendship** and how to have **kind and respectful conversations** with others.
