How We Provide Learning

Whole School Closure: - Pupils continue to use their **regular Google Classroom** for live lessons and tasks. - Longer closures include **online curriculum, assemblies, and Google Meet sessions**.

Self-Isolation: - Pupils isolating due to illness or guidance use a **dedicated self-isolation Google Classroom**. - Features a **weekly timetable**, links to teaching resources, and optional enrichment activities. - Access is **restricted to self-isolating pupils**, who receive an invitation via email or through Google Classroom.

Online Learning Platforms: To support learning at home, we also use: - **TT Rockstars** – for times tables practice and fluency - **Numbots** – for developing mental maths skills - **Oxford Reading Owl** – for reading practice and comprehension

Support and Access: - **Google Classroom Quick Start Guides** help pupils navigate the platform. - If a pupil does **not have access to a device or internet**, parents should contact the school to arrange alternatives.
